*Romans 15:13 Now may the God of hope fill you with all joy and peace in believing, that you may abound in the hope by the power of the Holy Spirit.*

The word “joy” is found more than 150 times in the Bible. Joy comes from God as a result of faith and obedience. Paul was one of God’s pioneer missionary’s and he was preaching the Gospel in areas where it had never been heard. He proclaimed the purpose of joy is to provide blessing for the believer. Abundant joy is a fruit of the Holy Spirit for those who walk in faith.

To walk in faith goes against our sinful nature. We want to be in control and tell God how and why he should serve us to our best ability. Somehow, faith in our holy Father has gotten twisted in our today’s life rush hour traffic. We can not barter or negotiate the plans our Father has for us. Although, we all want to be strong and self doing the child of God knows the strength He gives us to walk our daily path.

Abundant joy? Do we even know what that means in today’s world? In the dictionary the word abundant means plentiful, rich or ample. Abundant joy in God is to be rich in faith, mercy, spirit and love. Money certainly can’t buy happiness or even come close to the knowledge and understanding of knowing Jesus is our Savior and walks the journey of life with us. To have ample material pleasures is a quick fix for happiness.

God has defined in the Holy Bible the words to an ample, rich and plentiful life here on earth. To walk in faith and receive God’s blessing is believing Jesus Christ died on the cross for our sins, rose and sits on the right hand of His Father. Jesus was sent to earth for a reason. To bear our sins.

In God’s world we walk either in spirit or turmoil. It is my prayer you and I will walk in spirit.
